

As disciples of Jesus Christ, we proclaim peace, forgiveness, and hope through his Blood, shed on the cross.

OUR MISSION: Ministry of the Word by preaching renewal through missions, retreats, parish needs and to where the Good News has not been heard.

OUR COMMUNITY: We live together wherever possible, allowing us to place our gifts at the service of the Church, to one another and to renew ourselves for service in mission.

OUR SPIRITUALITY: Christ's shedding his Blood for us is a sign of God's greatest love for all. We work with those who suffer, who seek reconciliation and inspire hope.
